STAT

Dear Bill:

On the occasion of your retirement, I want to pay tribute to you for your long and faithful service to your country, the Agency, and NPIC. You can take great pride in having been with the Agency for so many years. Speaking for your colleagues in the Center, we feel privileged to have worked with you as one of the key members of our team since the early days of our organization.

Your record of performance over the years is most impressive. Through your quiet, methodical and efficient approach to your job you have assisted in solving many difficult problems under sometimes adverse conditions. By virtue of your creative, patient, and exacting leadership you have set an outstanding example of service for our young people to follow.

I commend you for your lasting contribution and extend my personal thanks for a job well done.

Your many friends join me in wishing you the very best in the future.

Sincerely,

Arthur C. Lundahl
